NOTE:
This route is very similar to Yuma Dawg, but starts in North San Diego County. A little urban riding before you're into the country and climbing Old Hwy. 80 thru Pine Valley and over to the desert. After a big plunge into sand country, it's nearly flat riding on your way to Arizona!
Ride report or informational video of this route may be available on the San Diego Randonneurs website: <http://www.sandiegorandonneurs.com>
Good Riding,
